

## MINUDE 45 SUSPENSION LED GE

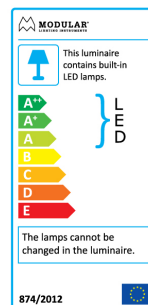

Our miniature spot is an extremely simple cylinder-shaped light fixture with a lot to show. Endless applications, a variety of rich colours, phenomenal yogic flexibility. A deep-recessed light source for a glare-free light effect. To express a refined and minimalistic look & feel on walls or low ceiling executions, on high ceilings in its suspended variant, or to add on, as a stylish accent on our Pista track system. This little spot will make a big impression.
