

TULIP BLOSSOM (POWER FEED SURFACE) E27

An architectural pendant light, Tulip is the perfect couple, impossible to miss when walking into a space. Complementary, accessible and playful. Pure and basic shapes. Tulip's long stem gives it an air of elegance and adds grandeur. Its two shapes, Blossom and Bloom, boast a complementary design, and display both cosy mood light and general light.

Art. Nr. 12660191
